While Logistics has no objection to the regulations per se, we note in the modification of paragraph [] the words, "... No agency within the Intelligence Community shall sponsor, contract for, or conduct research" We are not at all sure of the appropriateness of an Agency regulation dictating what the rest of the Intelligence Community shall or shall not do, and it might better be the subject of a DCID.

James H. McDonald
Director of Logistics

4 AUG 1980

MEMORANDUM FOR: Deputy Director for Administration
